
Registering

Hey All!

So I have been receiving some complaints about logging into the website, that the registration process is confusing, or logging in isn't that easy. So I will do a simple walk through here.

First, On the left below the UAW logo is the Login section. You must click on the Register Here link.

Next, fill out the fields of information. To speed up the process, please put your FULL NAME in the Name field.

In the user name field put whatever 'Handle,' or nick name, you want to use.

Make sure your Email address is correct.

Click on the submit button.

You will then receive an email that says Registration pending. In this email is an activation Link. Click on that link. You will be brought to a page that says your account is activated.

Please check your Spam folders. The email comes from info@uawatfoxwoods.net. You cannot log in until you get this email and click on the link.

You then need to be approved by the administrators. This process may take a day, because we need to verify that you are a worker at foxwoods.

Generally, if you register on a weekday between our office hours (9am-6pm) this will happen quickly.

Once approved, you can log in. You must log in to have access to the forums.

If you have any questions or problems, please call us at (860) 892-9191.

Thanks and have a great day!
